Rotary partners with Amazon.com to launch shop.rotary.org

Rotary has partnered with Amazon Services to launch the new shop.rotary.org website on July 1. The site features Rotary publications, videos, and other resources aimed at helping Rotarians in their service and spreading the word about Rotary.

Online shoppers on the new site will receive 15 percent off their first purchase during the month of July. In addition, all items listed as US\$0.01 automatically become free at checkout for all Rotarians.

The enhanced shopping site includes improved search functionality, allows customers to use Amazon.com accounts to make purchases, and provides the highest possible level of security and protection against fraud. The online shop is currently available in English, with plans to add language options by July 19, and full German, French, Italian, Japanese, Korean, Portuguese, and Spanish versions of the site in the coming months.

Because of the Amazon partnership, all purchases made on shop.rotary.org are covered by [Amazon's A to Z Guarantee](#).

Rotarians with questions about using the new shop site should contact RI's Publications Order Services (phone: 847-866-4600; e-mail: shop.rotary@rotary.org).
